	Rabbits: Raised with organic oats/alfalfa and left to free range. 1 per month, three total	\$39		\$ _____
			Total	\$ _____

Payments Terms:

Full Payment: One payment with the application

The amount of goods per week will vary and are more of an average. For example, the amount of produce available at the beginning of the season may be less than the listed share amount, but near the end of the market there will be larger than average amounts provided.

Produce will be provided by a single vendor so all shares may not be the same. The vendors on the other hand may gather goods from other vendors to fulfill the share obligations. A single share provider (vendor) will be selected for each shareholder.

Discounts are available for helping your produce vendor while caring for the plants or preparing shares for delivery. Consult with your provider for details.

Return the form to: 8025 157th Ave SE, Wyndmere, ND 58081 or by email to Daryl@TwinTownsMarket.org
